

Welcome to
Ellevang Dagtilbud

Dear family,

First and foremost – welcome to Ellevang Dagtilbud. We look forward to welcoming you and getting to know you.

At Ellevang Dagtilbud your family becomes part of a community – a community for everyone. We value diversity and inclusion, because we believe that a culture based on these values fosters well-being, development, formation, and learning for all children. We therefore hope that you will take an active part in our community.

In Ellevang Dagtilbud our focus is on trust, security, and attachment. We know that attentive and present adults are essential, and we base our daily pedagogical work and activities on strong professionalism and quality. You and your child will experience that we incorporate the child's perspective into our pedagogical practice.

With this welcome letter, we would like to emphasize the importance of mutual expectations between you as parents and us. We know that an open, honest, and trusting collaboration is crucial for creating the best environment for your child's well-being, development, formation, and learning. Therefore, please do not hesitate to contact the staff or the pedagogical leader if you feel a need for dialogue.

In each of Ellevang Dagtilbud's institutions we have a parent council, whose purpose is, among other things, to strengthen the community and promote a positive and collaborative environment between the institution and the home. You are therefore also welcome to contact your local parent council if, for example, you wish to discuss something with other parents or have perspectives brought forward for the council's discussions.

Ellevang Dagtilbud also has a board with parent representatives from all our institutions. The board represents the entire day care and, among other things, establishes shared principles. These principles, along with other useful documents and information, can be found on Ellevang Dagtilbud's website under [Kontakt](#) and [Materiale til nye familier](#). We encourage you to take a look when you have the opportunity.

If you have any questions, you are always welcome to contact the pedagogical leader of your child's institution.

We look forward to welcoming you.
